SENATE BILL NO. 2762

AN ACT TO ENACT THE "FACILITATING BUSINESS RAPID RESPONSE TO STATE DECLARED DISASTERS ACT OF 2015"; TO PROVIDE THAT AN OUT-OF-STATE BUSINESS THAT CONDUCTS OPERATIONS WITHIN THE STATE FOR PURPOSES OF PERFORMING WORK OR SERVICES RELATED TO A DECLARED STATE DISASTER OR EMERGENCY DURING THE DISASTER RESPONSE PERIOD SHALL NOT BE CONSIDERED TO HAVE ESTABLISHED A LEVEL OF PRESENCE THAT WOULD REQUIRE THAT BUSINESS TO REGISTER, FILE AND/OR REMIT STATE OR LOCAL TAXES OR THAT WOULD REQUIRE THAT BUSINESS OR ITS OUT-OF-STATE EMPLOYEES TO BE SUBJECT TO CERTAIN STATE LICENSING OR REGISTRATION REQUIREMENTS; TO PROVIDE THAT AN EMPLOYEE OF SUCH A BUSINESS SHALL NOT BE CONSIDERED TO HAVE ESTABLISHED RESIDENCY OR A PRESENCE IN THE STATE THAT WOULD REQUIRE THAT PERSON OR THAT PERSON'S EMPLOYER TO FILE AND PAY INCOME TAXES OR TO BE SUBJECTED TO TAX WITHHOLDINGS OR TO FILE AND PAY ANY OTHER STATE OR LOCAL TAX OR FEE DURING THE DISASTER RESPONSE PERIOD; TO REQUIRE THAT CERTAIN INFORMATION REGARDING AN OUT-OF-STATE BUSINESS SHALL, UPON REQUEST, BE PROVIDED TO THE DEPARTMENT OF REVENUE; TO AMEND SECTIONS 27-7-15, 27-7-37, 27-7-305, 27-7-333, 27-17-9, 27-31-1, 27-65-101, 27-65-107 AND 27-65-111, MISSISSIPPI CODE OF 1972, IN CONFORMITY THERETO; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. This act may be cited as the "Facilitating Business Rapid Response to State Declared Disasters Act of 2015."

SECTION 2. The Legislature finds that:

(a) During times of storm, flood, fire, earthquake, hurricane or other disaster or emergency, many businesses bring in resources and personnel from other states throughout the United States on a temporary basis to expedite the often enormous and overwhelming task of cleaning up, restoring and repairing damaged buildings, equipment and property or even deploying or building new replacement facilities in the state.

(b) This may involve the need for out-of-state businesses, including out-of-state affiliates of businesses based in the state, to bring in resources, property and/or personnel that previously have had no connection to the state, to perform activity in the state, including, but not limited to, repairing, renovating, installing, building, rendering services or other business activities and for which personnel may be located in the state for extended periods of time to perform such activities.

(c) During such time of operating in the state on a temporary basis solely for purposes of helping the state recover from the disaster or emergency, these businesses and individual employees should not be burdened by any requirements for business and employee taxes as a result of such activities in the state for a temporary period.

(d) To ensure that businesses may focus on quick response to the needs of the state and its citizens during a declared state disaster or emergency, it is appropriate for the Legislature to deem that such activity for a reasonable period of

time before, during, and after the disaster or emergency for repairing and restoration of the often devastating damage to critical property and infrastructure in the state as defined in this act shall not establish presence, residency, nor doing business in the state nor any other criteria for purposes of state and local taxes, licensing and regulatory requirements.

SECTION 3. As used in Sections 1 through 5 of this act:

(a) "Registered business in the state" or "registered business" means a business entity that is currently registered to do business in the state prior to the declared state disaster or emergency.

(b) "Out-of-state business" means a business entity that, except for disaster or emergency-related work, has no presence in the state and conducts no business in the state whose services are requested by a registered business or by a state or local government for purposes of performing disaster or emergency-related work in the state. This shall also include a business entity that is affiliated with the registered business in the state solely through common ownership. The out-of-state business has no registrations or tax filings or nexus in the state other than disaster or emergency-related work during the tax year immediately preceding the declared state disaster or emergency.

(c) "Out-of-state employee" means an employee who does not work in the state, except for disaster or emergency-related work during the disaster response period.

(d) "Critical infrastructure" means property and equipment owned or used by communications networks, electric generation, transmission and distribution systems, gas distribution systems, water pipelines and related support facilities that services multiple customers or citizens, including, but not limited to, real and personal property such as buildings, offices, lines, poles, pipes, structures and equipment.

(e) "Declared state disaster or emergency" means a disaster or emergency event:

(i) For which the Governor has issued a state of emergency proclamation; or

(ii) For which a presidential declaration of a federal major disaster or emergency has been issued.

(f) "Disaster response period" means a period that begins ten (10) days prior to the first day of the Governor's proclamation or the President's declaration, whichever occurs first, and that extends sixty (60) calendar days after the declared state disaster or emergency, or any longer period authorized by the Governor; however, in no event shall the disaster response period be more than one hundred twenty (120) days.

(g) "Disaster or emergency-related work" means repairing, renovating, installing, building, rendering services or other business activities that relate to critical infrastructure

that has been damaged, impaired or destroyed by the declared state disaster or emergency.

SECTION 4. (1) (a) An out-of-state business that conducts operations within the state for purposes of performing work or services related to a declared state disaster or emergency during the disaster response period shall not be considered to have established a level of presence that would require that business to register, file and/or remit state or local taxes or that would require, except as otherwise provided in this section, that business or its out-of-state employees to be subject to any state licensing or registration requirements. This includes any and all state or local business licensing or registration requirements or state and local taxes or fees, including, but not limited to, unemployment insurance, occupational licensing fees, privilege taxes, sales and use tax or ad valorem tax on equipment brought into the state temporarily for use during the disaster response period and subsequently removed from the state, Public Service Commission or Secretary of State licensing and regulatory requirements. For purposes of any state or local tax on or measured by, in whole or in part, net or gross income or receipts, all activity of the out-of-state business that is conducted in this state pursuant to this act shall be disregarded with respect to any filing requirements for such tax, including the filing required for a unitary or combined group of which the out-of-state business may be a part. For the purpose of apportioning income,

revenue or receipts the performance by an out-of-state business of any work in accordance with this act shall not be sourced to or shall not otherwise impact or increase the amount of income, revenue or receipts apportioned to this state.

(b) Any out-of-state employee shall not be considered to have established residency or a presence in the state that would require that person or that person's employer to file and pay income taxes or to be subjected to tax withholdings or to file and pay any other state or local tax or fee during the disaster response period. This includes any related state or local employer withholding and remittance obligations, but does not include any transaction taxes or fees as described in subsection (2) of this section.

(2) Out-of-state businesses and out-of-state employees shall be required to pay transaction taxes and fees, including, but not limited to, fuel taxes or sales/use taxes on materials or services consumed or used in the state subject to sales/use tax, hotel taxes, car rental taxes or fees that the out-of-state affiliated business or out-of-state employee purchases for use or consumption in the state during the disaster response period, unless such taxes are otherwise exempted during a disaster response period.

(3) Any out-of-state business or out-of-state employee that remains in the state after the end of the disaster response period will become subject to the state's normal standards for establishing presence, residency or doing business in the state

and will therefore become responsible for any business or employee tax requirements that ensue.

(4) Nothing in this section shall be construed to exempt any out-of-state business, out-of-state employee or individual from securing and paying applicable license and related fees imposed by professional licensing boards of this state.

SECTION 5. (1) (a) The out-of-state business that enters the state shall, upon request, provide to the Department of Revenue a statement that it is in the state for purposes of responding to the disaster or emergency, which statement shall include the business' name, state of domicile, principal business address, federal tax identification number, date of entry and contact information.

(b) A registered business in the state shall, upon request, provide the information required in paragraph (a) of this subsection for any affiliate that enters the state that is an out-of-state business. The notification shall also include contact information for the registered business in the state.

(2) An out-of-state business or an out-of-state employee that remains in the state after the disaster response period shall complete state and local registration, licensing and filing requirements that ensue as a result of establishing the requisite business presence or residency in the state applicable under the existing rules.

(3) The Department of Revenue shall promulgate necessary regulations, develop and issue forms or online processes, and maintain and make available an annual record of any designations pursuant to this act.

SECTION 6. Section 27-7-15, Mississippi Code of 1972, is amended as follows:

27-7-15. (1) For the purposes of this article, except as otherwise provided, the term "gross income" means and includes the income of a taxpayer derived from salaries, wages, fees or compensation for service, of whatever kind and in whatever form paid, including income from governmental agencies and subdivisions thereof; or from professions, vocations, trades, businesses, commerce or sales, or renting or dealing in property, or reacquired property; also from annuities, interest, rents, dividends, securities, insurance premiums, reinsurance premiums, considerations for supplemental insurance contracts, or the transaction of any business carried on for gain or profit, or gains, or profits, and income derived from any source whatever and in whatever form paid. The amount of all such items of income shall be included in the gross income for the taxable year in which received by the taxpayer. The amount by which an eligible employee's salary is reduced pursuant to a salary reduction agreement authorized under Section 25-17-5 shall be excluded from the term "gross income" within the meaning of this article.

(2) In determining gross income for the purpose of this section, the following, under regulations prescribed by the commissioner, shall be applicable:

(a) **Dealers in property.** Federal rules, regulations and revenue procedures shall be followed with respect to installment sales unless a transaction results in the shifting of income from inside the state to outside the state.

(b) **Casual sales of property.**

(i) Prior to January 1, 2001, federal rules, regulations and revenue procedures shall be followed with respect to installment sales except they shall be applied and administered as if H.R. 3594, the Installment Tax Correction Act of 2000 of the 106th Congress, had not been enacted. This provision will generally affect taxpayers, reporting on the accrual method of accounting, entering into installment note agreements on or after December 17, 1999. Any gain or profit resulting from the casual sale of property will be recognized in the year of sale.

(ii) From and after January 1, 2001, federal rules, regulations and revenue procedures shall be followed with respect to installment sales except as provided in this subparagraph (ii). Gain or profit from the casual sale of property shall be recognized in the year of sale. When a taxpayer recognizes gain on the casual sale of property in which the gain is deferred for federal income tax purposes, a taxpayer may elect to defer the payment of tax resulting from the gain as allowed and

to the extent provided under regulations prescribed by the commissioner. If the payment of the tax is made on a deferred basis, the tax shall be computed based on the applicable rate for the income reported in the year the payment is made. Except as otherwise provided in subparagraph (iii) of this paragraph (b), deferring the payment of the tax shall not affect the liability for the tax. If at any time the installment note is sold, contributed, transferred or disposed of in any manner and for any purpose by the original note holder, or the original note holder is merged, liquidated, dissolved or withdrawn from this state, then all deferred tax payments under this section shall immediately become due and payable.

(iii) If the selling price of the property is reduced by any alteration in the terms of an installment note, including default by the purchaser, the gain to be recognized is recomputed based on the adjusted selling price in the same manner as for federal income tax purposes. The tax on this amount, less the previously paid tax on the recognized gain, is payable over the period of the remaining installments. If the tax on the previously recognized gain has been paid in full to this state, the return on which the payment was made may be amended for this purpose only. The statute of limitations in Section 27-7-49 shall not bar an amended return for this purpose.

(c) **Reserves of insurance companies.** In the case of insurance companies, any amounts in excess of the legally required reserves shall be included as gross income.

(d) **Affiliated companies or persons.** As regards sales, exchanges or payments for services from one to another of affiliated companies or persons or under other circumstances where the relation between the buyer and seller is such that gross proceeds from the sale or the value of the exchange or the payment for services are not indicative of the true value of the subject matter of the sale, exchange or payment for services, the commissioner shall prescribe uniform and equitable rules for determining the true value of the gross income, gross sales, exchanges or payment for services, or require consolidated returns of affiliates.

(e) **Alimony and separate maintenance payments.** The federal rules, regulations and revenue procedures in determining the deductibility and taxability of alimony payments shall be followed in this state.

(f) **Reimbursement for expenses of moving.** There shall be included in gross income (as compensation for services) any amount received or accrued, directly or indirectly, by an individual as a payment for or reimbursement of expenses of moving from one * * * residence to another residence which is attributable to employment or self-employment.

(3) In the case of taxpayers other than residents, gross income includes gross income from sources within this state.

(4) The words "gross income" do not include the following items of income which shall be exempt from taxation under this article:

(a) The proceeds of life insurance policies and contracts paid upon the death of the insured. However, the income from the proceeds of such policies or contracts shall be included in the gross income.

(b) The amount received by the insured as a return of premium or premiums paid by him under life insurance policies, endowment, or annuity contracts, either during the term or at maturity or upon surrender of the contract.

(c) The value of property acquired by gift, bequest, devise or descent, but the income from such property shall be included in the gross income.

(d) Interest upon the obligations of the United States or its possessions, or securities issued under the provisions of the Federal Farm Loan Act of * * * 1916, or bonds issued by the War Finance Corporation, or obligations of the State of Mississippi or political subdivisions thereof.

(e) The amounts received through accident or health insurance as compensation for personal injuries or sickness, plus the amount of any damages received for such injuries or such sickness or injuries, or through the War Risk Insurance Act, or

any law for the benefit or relief of injured or disabled members of the military or naval forces of the United States.

(f) Income received by any religious denomination or by any institution or trust for moral or mental improvements, religious, Bible, tract, charitable, benevolent, fraternal, missionary, hospital, infirmary, educational, scientific, literary, library, patriotic, historical or cemetery purposes or for two (2) or more of such purposes, if such income be used exclusively for carrying out one or more of such purposes.

(g) Income received by a domestic corporation which is "taxable in another state" as this term is defined in this article, derived from business activity conducted outside this state. Domestic corporations taxable both within and without the state shall determine Mississippi income on the same basis as provided for foreign corporations under the provisions of this article.

(h) In case of insurance companies, there shall be excluded from gross income such portion of actual premiums received from an individual policyholder as is paid back or credited to or treated as an abatement of premiums of such policyholder within the taxable year.

(i) Income from dividends that has already borne a tax as dividend income under the provisions of this article, when such dividends may be specifically identified in the possession of the recipient.

(l) Amounts received as retirement allowances, pensions, annuities or optional retirement allowances paid by any public or governmental retirement system not designated in paragraph (k) or any private retirement system or plan of which the recipient was a member at any time during the period of his employment. Amounts received as a distribution under a Roth Individual Retirement Account shall be treated in the same manner as provided under the Internal Revenue Code of 1986, as amended. The exemption allowed under this paragraph (l) shall be available

to the spouse or other beneficiary at the death of the primary retiree.

(n) Compensation received for active service as a member below the grade of commissioned officer and so much of the compensation as does not exceed the maximum enlisted amount received for active service as a commissioned officer in the Armed Forces of the United States for any month during any part of which such members of the Armed Forces (i) served in a combat zone as designated by Executive Order of the President of the United States or a qualified hazardous duty area as defined by federal law, or both; or (ii) was hospitalized as a result of wounds, disease or injury incurred while serving in such combat zone. In the absence of direct accounting, the ratio of net profits to total sales may be applied to the increase in export sales. This paragraph (p) shall only apply to businesses located in this state engaging in the international export of Mississippi goods and services. Such goods or services shall have at least fifty percent (50%) of value added at a location in Mississippi.

paragraph (d) of this subsection, during the Vietnam Conflict as a result of such conflict.

(b) **Civilian employees.** Gross income does not include compensation received for active service as an employee for any month during any part of which such employee is in a missing status during the Vietnam Conflict as a result of such conflict.

(c) **Period of conflict.** For the purpose of this subsection, the Vietnam Conflict began February 28, 1961, and ends on the date designated by the President by Executive Order as the date of the termination of combatant activities in Vietnam. For the purpose of this subsection, an individual is in a missing status as a result of the Vietnam Conflict if immediately before such status began he was performing service in Vietnam or was performing service in Southeast Asia in direct support of military operations in Vietnam. "Southeast Asia," as used in this paragraph, is defined to include Cambodia, Laos, Thailand and waters adjacent thereto.

(i) The provisions of this subsection shall be effective for taxable years ending on or after February 28, 1961.

(6) A shareholder of an S corporation, as defined in Section 27-8-3(1)(g), shall take into account the income, loss, deduction

or credit of the S corporation only to the extent provided in Section 27-8-7(2).

SECTION 7. Section 27-7-37, Mississippi Code of 1972, is amended as follows:

27-7-37. (1) Every corporation subject to taxation shall make a separate return, stating specifically the items of its gross income and the deductions and credits allowed by this article. The return shall be signed by either the president, vice president, secretary or treasurer.

(2) (a) (i) Two (2) or more members of an affiliated group of corporations, each taxable in Mississippi, may elect to file a combined income tax return. Corporations electing to file combined returns under this section shall determine the Mississippi net business income (or loss) on an individual corporate member basis as required in Section 27-7-23 and, if applicable, Sections 27-7-24, 27-7-24.1, 27-7-24.3, 27-7-24.5 and 27-7-24.7. The Mississippi net business income (or loss) so computed for each individual member shall be combined to determine the Mississippi net business income (or loss) of the combined group of affiliated corporations. To the amount so determined shall be added nonbusiness income of the combined members directly allocable to Mississippi to determine Mississippi taxable income.

(ii) The commissioner may require a corporation taxable under this article that is affiliated with one or more corporations that are not taxable under this article to file a

combined return with the affiliated corporation or corporations if he establishes by preponderance of the evidence that the intercompany transactions of such taxable corporation have resulted in the shifting of taxable income from itself to another member or members of its affiliated group not subject to tax under this article. Also, the commissioner may require a group of affiliated corporations taxable under this article to file a combined return if he establishes by preponderance of the evidence that the intercompany transactions of such corporations have resulted in the shifting of taxable income between members of the included affiliated group. In the event that such a combined return is required, the net income or loss of each member of the group required to be combined, shall be combined pursuant to regulations prescribed by the commissioner to determine the total combined taxable income and the Mississippi taxable income of the group. The tax imposed by this article shall be computed and assessed upon the Mississippi taxable income of the combined group which shall be treated as the taxpayer.

(iii) The commissioner shall not require the filing of a combined return pursuant to the authority granted under subparagraph (ii) of this paragraph until regulations shall have been enacted specifying the criteria and circumstances that form the basis for meeting the preponderance of the evidence standard required to support a conclusion that intercompany transactions of such taxable corporation have resulted in the

improper shifting of taxable income from a taxpayer to another member or members of its affiliated group not subject to tax under this article, or that the intercompany transactions of such corporations have resulted in the improper shifting of taxable income between members of the included affiliated group.

(iv) The commissioner shall be prohibited from assessing any penalties related to a deficiency arising from the exercise of the authority granted under subparagraph (ii) of this paragraph unless the commissioner shall establish by preponderance of the evidence that the taxpayer's filing method was without reasonable basis or the intercompany transactions at issue lacked any material nontax business purpose.

(b) The privilege to file combined returns shall be limited to members of an affiliated group of corporations which are subject to taxation under the provisions of this article. The privilege of making a combined return may be exercised only if all corporations subject to taxation under this article which were members of the affiliated group at any time during the taxable year consent to a combined return prior to the last day prescribed by law for the filing of such return. The making of a combined return shall be considered as such consent. In the case of a taxable corporation which is a member of the affiliated group for a fractional part of the year, the combined return shall include the income of such corporation for such part of the year as it is a member of the affiliated group.

(c) The commissioner shall prescribe such regulations as he may deem necessary in order that the tax liability of any affiliated group of corporations making a combined return and of each corporation in the group, both during and after the period of affiliation, may be returned, determined, computed, assessed, collected and adjusted, in such manner as clearly to reflect the income tax liability and the various factors necessary for the determination of such liability, and in order to prevent avoidance of such tax liability.

(d) As used in this article, the term "affiliated group" means one or more corporations connected through stock ownership with a common parent corporation where at least eighty percent (80%) of the voting power of all classes of stock and at least eighty percent (80%) of each class of the nonvoting stock of each of the member corporations, except the common parent corporation, is owned directly by one or more of the other member corporations; and the common parent corporation owns directly stock possessing at least eighty percent (80%) of the voting power of all classes of stock and at least eighty percent (80%) of each class of the nonvoting stock of at least one (1) of the other member corporations. As used in this subsection, the term "stock" does not include nonvoting stock which is limited and preferred as to dividends.

(e) If a corporation elects or is required to file returns on a combined basis, all subsequent returns shall be made

upon the same basis unless permission to change the basis is granted by the commissioner, or unless the commissioner requires a change in the basis.

(3) If any foreign corporation has no office or place of business in this state but has an agent in this state, the returns shall be made by the agent.

(4) In the case of a receiver, trustee in bankruptcy, or assignees operating the property or business of a corporation, such receiver, trustee or assignee shall make returns for such corporation in the same manner and form as corporations are required to make returns; and any tax due on the basis of such returns shall be collected in the same manner as if collected from the corporation of whose business or property they have custody or control.

(5) A corporation required to include the activity of a disregarded entity for federal income tax purposes shall do likewise for the purpose of computing income for this state.

(6) An out-of-state business as defined in Section 3 of this act shall be exempt from the requirements of this section to the extent provided for in Section 4 of this act.

SECTION 8. Section 27-7-305, Mississippi Code of 1972, is amended as follows:

27-7-305. (1) Except as otherwise provided in this section, every employer making payments of wages to employees shall deduct and withhold from such wages an amount determined from withholding

tables promulgated by the commissioner and furnished to the employer.
